

TOWN OF DOVRE

DRIVEWAY PERMIT APPLICATION

The Driveway Ordinance is intended solely to provide the town with control of driveway location and the owner with minimum specifications for driveway construction. Well located, Well constructed driveways provide for safer entrance to and from the road and better, faster access to the property by emergency vehicles. Please recognize these as minimum standards and that they help provide for your safety. The procedure for this application is on the reverse side.

Name _____

Current Address _____

Proposed Address _____

Telephone _____

Please provide a rough sketch of the proposed driveway in the space below:

Please label the road. Provide measurements of driveway from the nearest Landmark or mark with stakes.

PROCEDURE:

1. Obtain the permit from our Patrolman. The fee is \$25.00.
2. Complete a rough sketch of the driveway in the space provided. It does not have to be to scale, but please include measurements.
3. Identify the intended approach to the road with a specific measurement from a fixed object, e.g. a cross road, the neighbors driveway, a tree, or mark the proposed location with a stake (s).
4. Deliver the completed sketch to our Town Shop located at 304 25 ½ Street. Mark Envelope in the following manner: DRIVEWAY APPLICATION ENCLOSED.
5. Our Patrolman will assess the property for the need of a culvert and advise you accordingly. He will forward the application to the Chairman, who will visit the property and grant provisional approval for the location. Final approval will be determined at the next regular Town Board Meeting.
6. Use of the proposed driveway is allowed during the review process so as not to hinder construction. If a culvert is required and the Town is to provide it, you will be billed at the Town cost for the culvert.
