

RESOLUTION 2015 – 1

A Resolution to Amend Resolution 2014-3

Section 7a, to be inserted on page 5 of Resolution 2014-3 is created to read:

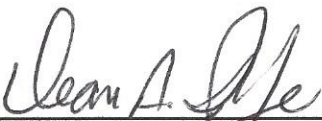

“7a: Prior to listing the eligible property for sale, the Town may, in its sole discretion, require the property owner with a certified statement from a plumber licensed by the State of Wisconsin, or a septic hauler licensed in the State of Wisconsin, that the well and septic system serving the eligible property have been inspected and such well and septic system are functioning and in good repair. The Town shall pay the costs of such inspections upon receipt of the certified statements and appropriate billing.

RESOLUTION 2015 – 2

A Resolution to Amend Resolution 2014-2

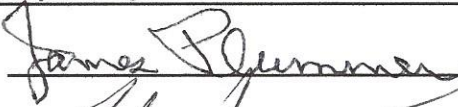

Section 8a, to be inserted on page 5 of Resolution 2014-2 is created to read:

“8a: Prior to listing the eligible property for sale, the Town may, in its sole discretion, require the property owner with a certified statement from a plumber licensed by the State of Wisconsin, or a septic hauler licensed in the State of Wisconsin, that the well and septic system serving the eligible property have been inspected and such well and septic system are functioning and in good repair. The Town shall pay the costs of such inspections upon receipt of the certified statements and appropriate billing.

Chairman – Dean Trowbridge
